

## TASK 2: Google Dorks Report

1.

- **Google Dork query:**  
site:tesla.com filetype:pdf "Proprietary and Confidential"
- **Exposed file URL:**  
[https://service.tesla.com/docs/ModelX/CircuitDiagram/MX\\_Harness\\_Layout.pdf](https://service.tesla.com/docs/ModelX/CircuitDiagram/MX_Harness_Layout.pdf)
- **Brief note:**  
Contains internal vehicle wiring layouts explicitly labeled "Proprietary and Confidential Business Information."

2.

- **Google Dork used:**  
site:google.com filetype:pdf
- **Exposed file URL:**  
[https://static.googleusercontent.com/media/www.google.com/en//press/pdf/b\\_hurley\\_opp\\_declaration.pdf](https://static.googleusercontent.com/media/www.google.com/en//press/pdf/b_hurley_opp_declaration.pdf)
- **Brief note:**  
This is an **officially published legal declaration** from Brent Hurley, hosted on google.com. It was found using a Google Dork, but it seem to be **intentionally public**.
